Instructor: **Bill Weigand**

Bill Weigand has been in the cleaning and restoration industry since 1980. Bill joined Unsmoke in 1988, when he was hired as General Manager of its service company. In 1992 Bill was promoted to General Manager of Training and Technical Support for Unsmoke Systems. Bill has had the opportunity to put his restoration knowledge to work on-site disaster restoration projects throughout North America and the Caribbean. He has help to develop many odor control products and techniques which have become industry standards. Bill is an instructor for the Restoration Industry Association's Certified Restoration Course as well as several courses for the IICRC. He has trained several thousand students for the IICRC. Bill holds multiple designations with the IICRC as well as the Restoration Industry Association and Indoor Air Quality Association.
